

Aw right, I'll cancel that assignment. Now will you turn around and be friends?

We dedicate this year's PIRATE not only to a wonderful teacher, but to the gift of humor. We realize education is a good thing, but can be monotonous at times. (We hope that in the years to come, you will look through this book, and it will remind you that the 1962-1963 school year held some fond memories and good times for you, and that it was also a good year for learning. Now that we have drawn your undivided attention, aroused your curiosity, and set your minds to wandering, let's thumb through the next few pages not with a tear, but with a snicker.

The Editors

Will you stop taking pictures and help us change this ----tire?!!

Pose? Sure. How's this?

Now let me tell you about my camel, saddle factory...

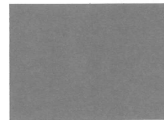

Smile, you're on Candid Camera!

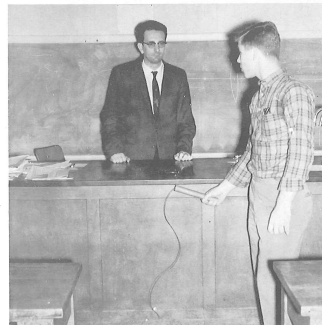

Anybody seen my music rack?

Whaddaya mean "Your locker? They told me this was the girls' powder room!"

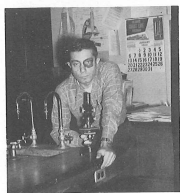

Whaddaya mean, "Hooray for freshmen?"

My chemistry project is ready, Mr. Kitzmiller.

I hate to think what it's going to be like when we get pads and helmets!

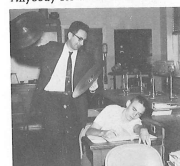

Aw right, who's the wise guy?

Anybody for a ride?

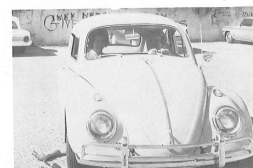

Sleep in my class, will ya?

Dirt? Where?

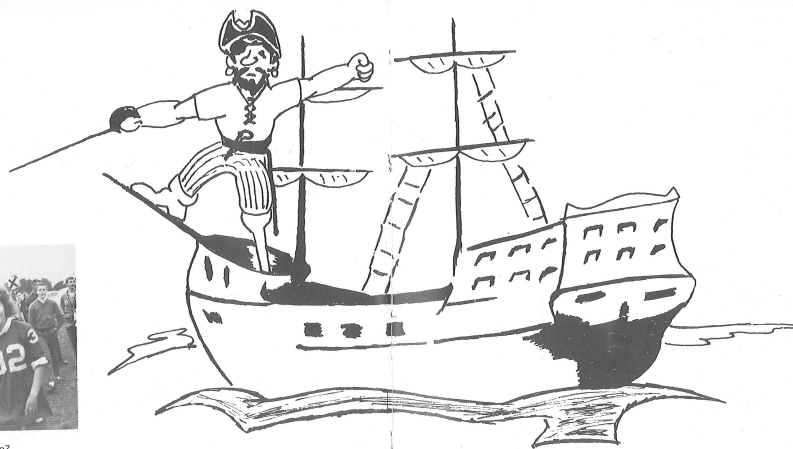

Up and at 'em, girls!

No fair tickling.

Did you feel a bump?

The next joker that asks me for a date...WHAM!

Aw right, Peggy, knock it off!

Who? Me?

DEDICATION

We, the Senior Class of 1962-1963, being the twelfth class of graduates to have attended school in this building of Pasco High, dedicate "our" yearbook, "THE PIRATE", to Coach Malone, who has put forth the greatest possible effort in guiding and teaching us the requirements of good citizens; who has gone a step further, and acted as an ideal example for us to follow; who has encouraged us to raise our ideals and to keep them raised; and to always strive in gaining knowledge which will be useful to us, future citizens of the United States, in leading lives of educated, informed adults.

We thank you, Coach Malone, not only for your friendship, and sincerity toward us as a class, but also for the help you have given the football team...spiritually, as well as physically. For these and many more reasons, we, the Senior Class of 1963, dedicate our "PIRATE" to you. The memory of your understanding assistance will stay with us eternally.

ACTIVITIES

PASCO HIGH SCHOOL BAND

This year the Pasco High School Band has been very active. It seems as if the band was always preparing for some public performance. Locally, the band has performed in the Fair and Homecoming parades (both times in the rain), presented a concert at the Courthouse opening the Christmas season, a concert at the County Fair, and two concerts at the high school. The band presented eight different half-time football shows and attended all of the games, as well as participating in other school activities.

Out of town parades in which the band participated were the Ybor City Latin Fiesta, Plant City Strawberry Festival, Zephyrhills Founders' Day, New Port Richie Chiasco Festival, Bradenton-DeSoto Festival, and St. Petersburg Festival of States.

The activity demanding the most attention and rehearsing, however, was the District Band Contest in Bartow. Because this book went to press before this activity occurred, the ratings were not available for publication. In this contest, however, the band is graded according to how well it performs in playing three prepared concert selections taken from a special listing put out by the state band-masters' association; on how

well the band sight-reads (plays two selections they have never seen before); and on how well they present a half-time football show.

The band purchased some new equipment this year; a fiberglass sousaphone, a French horn, an oboe, and an electronic tuner.

A large number of seniors graduated last year, but the incoming freshman class was an outstanding group, and the band is much improved over last year. The band should make much improvement in the coming years, too, because two-thirds of the band are freshmen and sophomores, and they will definitely improve as they become upper classmen.

The graduating seniors are few in number (ten), but as they hang up their shoes after this year, they can look back and remember all the marching they have done, especially the New Orleans trip last year. A close estimate would be that they have marched one hundred miles in their four years.

The majorettes again proved their superior ability as they won trophies in various twirling contests. Pasco High has much to be proud of.

PROJECTION INTO THE FUTURE

Television station WPHS welcomes you to a preview of what is to become of the class of 1963 in twenty years. The following is a scene from the 1983 Class Reunion.

Veterinarian Dr. LAWRENCE DEES, former class president, is seen greeting his many friends at the new PHS stadium. Those traveling from the greatest distances naturally seem to arrive first! The noted Professor KEN VAGTS, Ph. D., arrives from Vagts Universal University on Venus with his able instructors VAL GOGUEN, NANCY OAKLEY, JOAN HUGHES, DONNA BEAGLES, and STANYA WALSH.

Galaxy band leader FRANK GAY and his troop arrive to provide some wonderful entertainment. The dancers are PHYLISS RAMSEY, ANN LATSON, and BUDDY MCCARTHY; singers, DEANN WHITMAN, LINDA ROSIER, WAYNE LUFFMAN, and FRED KAUFFMAN; JACK DAVENPORT, talent scout, and RON WATSON, publicity agent.

Dr. ARNOLD CURRINGTON and his head nurse ALICE HINES arrive with their capable staff JEAN MEYER, CAROLE BROCK, PAT HENLEY, SHIRLEY MOODY, and DONNA ROBERTS.

The citrus tycoons from Venus' Agriculture Belt, TED SURRAT, WILLIAM WEBB, NORMAN BLOCKER, TOMMY DIEFFENWIERTH, and WILLIAM LEE are coming into view. With them are LARRY BARNES, Secretary of Agriculture, and his assistants RON FERGUSON, VINCE SOUTHERLAND, and MELVIN BRINSON.

JOAN STRICKLAND, former Queen of the Galaxy, is now operating a charm school on Mars with PHYLLIS FOX, business manager, JUDY GASKIN and LOIS ALTMAN, executive secretaries.

Noted athletes and coaches are approaching us discussing the latest sports events. STEVE FICQUETTE, president of Bowlers' Inc., with DAN BULLINGTON and ROBERT CROFT, executives, are talking with coaches, JACK GADDIS, STAN CROLEY, RON OAKLEY, DALE HALL, and JERRY SMITH of Football U. on Saturn's Third Ring.

A limousine from New York City just pulled up at the curb with architect LANCE PACETTI, interior decorator SUZY GHISELIN, secretary JANET MILLER, photographer BILL SARGENT, and art director, GALE HERRIN.

Speaking of art we see FRED BRANNEN, president of Universal Artists Association, and his associates BEVERLY MYERS, vice-president, LINDA ROGERS secretary, and NINA VASKO, treasurer. With them are beautiful models CHERINE DAVIS, MARY BAKER, KAREN RHODEN, and LINDA GILLET.

The food industry is well represented by STEVE LAWRENCE, DEWEY HUFF-

CHARLES HALL, wealthy cattle rancher, supplies these super markets, distributed throughout the galaxy with prime beef. Vegetable and fruit suppliers TOM JOHNSON and DAN SURRENCY have made their marks in the galaxy with fabulous production.

Famous physicist RICHARD CZERNER and pharmacist BILL BALDWIN are seen discussing the latest scientific discoveries with reporters JOHN ERICKSON, CHARLES GOLLADAY, GLEN HENRY, KEITH LOWERY, and PHILLIP MILLER, who are busily taking notes.

Our South American ambassador ALBERTO MONTOYA has arrived and is discussing foreign affairs with interpreters BRENDA BEST, PAT CRUMP, MARGIE FOXWORTH, and ANITA HOOKS. Their secretaries DELORES ANDERTON, CLARA BOYD, MARY CAPE, and SHIRLEY CARPENTER are watching the renowned comedy team RON and DON HARRIS, and fellow entertainers JIM SPEARS, HARRY WALDROFF, SANDRA JOHNS, SANDRA LEAVINS, ANITA MORRIS, SHARON STEWART and CAROLYN WILSON.

Banker GLORIA BOYETTE is seen arriving with the president of Teas, Inc., ALLEN TETLEY; Space Cars International presidents HENRY WALTERS and RON VALENTINE; secretary of the Armed Forces BILL JONES; and STEVE SHETTLE, executive director of The Music Shop of the Moon.

Miss SUSAN EGBERT is operator of the famous kindergarten Universal Children, on the Moon, and has SHIRLEY CONNELL, and ALICE POSEY on her renowned staff.

Principal of PHS is now SARAH FAIRCLOTH with JOYCE M. STEWART as her private secretary, and MARY WILLIAMS is the girls' counselor. DENNIS REDFERN is the boys' counselor.

LYN CRAWFORD, JANEL HATTON, MERCEDES MYERS, and EVANELLE SHOEMAKER are the proprietors of a noted photographer's studio in Atlanta and employ JOYCE L. STEWART and SHARON STEWART in a branch office on Saturn.

DOROTHY HUGHES and JUDY MISTRETTA are large share holders in CECIL AMISON'S Spaceway Express Agency. BINGY FOLKES, his largest account, owns the largest paint supply house in the galaxy, with his headquarters right here in Dade City. PAUL ROBINETTE and ERNEST STRICKLAND operate the branch offices on the Moon and Venus.

Well, that's about all we have time for now, but we hope that you will all join us in another twenty years for the fortieth reunion in June of 2003. Hope that you enjoyed our little preview and we'll see you again soon. Signing off, station WPHS.
