CLASS HISTORY

On a September morning in 1934 a group of eager students, which included Hazel Boatwright, Ralph Lott, and Frank Thomas, began the first of twelve chapters in the Book of Knowledge under the experienced hand of Miss Elizabeth Hollins in the little wooden building that is now the printing room and science lab.

Their progress was favorable so they began the second chapter, assisted by Miss Lillian Kirkland. Bobby Booth joined the band of learners and they advanced rapidly on to the third chapter.

The study of the third chapter began in the new building. Helen England, Ruth Kersey, Albert and Gus Royal came to study with them this year. Miss Inez Lawrence who quit at Christmas to be married left her students in Mrs. Root's care. They had their first class party at Mrs. J. W. Booth's home.

When they began the fourth chapter they were so numerous that they had to be divided. Mrs. Nellie Price and Miss Elizabeth Brown guided them on to the fifth grade where Doris Cherry and Joseph "Sussy" Nickerson joined the rapidly moving band and they progressed on to the sixth chapter.

The seventh chapter was very hard for the eager little band, even though, they had two teachers, Miss Margueritte Neithmann and Mrs. Frances Cartwright. Many dropped behind but Christine Bryant and Loray Hott were added to the group.

The eighth chapter was a turning point for the students. It was more or less, as a preview of the last four years. Nita Lindsey came in scraping the Arkansas mud from her shoes. Bobby Booth and Hazel Boatwright won the American Legion scholastic awards. Much to the delight of the students, Mrs. Bertha McPhilips was class sponsor.

The next year, with Mrs. Yeva Greeting, the group began the ninth chapter under the title of freshmen, which in the language of the school meant "green". Ruby Lott, Lois Ann Martinson, and Mary Lois Ackley were new additions. This year they had charge of the "Haunted House" at the Halloween Carnival.

The tenth year was a happy chapter for the rapidly increasing band. This year they were Sophomores under the direction of Mrs. Eleanor Peterson. A nifty new dress was made for the rival school of Baseo. One of the students, stated, "It is the happiest part of the year to have a Christmas party held.

This year Nita Lindsey was elected president and with the help of the students, "Stop That Year, We Will Be a Star". John Gallagher and Charles Coakley were the only winners.

At last, the last chapter! Mrs. Marchman began as sponsor but resigned and Mrs. Mildred Mozema took charge of the ambitious group. Ruby Lott was elected president. Amos Chancey, a veteran returned to school and John Gallagher joined the Army.

At this part of the proceedings from the class play, "Don't Take My Penny", the class bought an airplane and a sixteen millimeter movie camera, and started "Sapphire" on its way.

The outstanding social events were: Kid's Day, the Valentine Dance, the trip to Bok Tower, Ski Away Day, and the Junior-Senior Banquets.

As the Book comes to a close, after learning much, each student goes into the future with many pleasant memories of the last twelve years.
CLASS PROPHESY

Mr. Paul E. L. Mitchell
President-Gen. of Fla.
Gainesville, Florida

My dear Mr. Mitchell:

As I sit here in this upholstered Syn-House, I can't help but think back on the years to the time of 1946. This was a very important year in the lives of the American people for this was the year of our graduation.

The Delta Class of 46 have made a place for themselves in this world and almost all of them are nationally and internationally known figures. Take Gus Royal for instance, he is the chief dispatcher on the famous Zephyrhills-Fampa division of the Seaboard Railway.

Charles Coon is also one who is well known, for he was the first one to make a feel-a-vision machine. That is the form of television where the audience not only sees and hears the program but he can, at will, reach out and touch the person or throw a bottle at him if he feels like it.

Oh yes, and I suppose you have heard the song bird whose golden voice, over the airways, has brought peace to many a lonely and broken heart for the past five years. You will recognize the voice as none other than that of Ruby Lott. She was the star of the opera at the year we graduated. Helen England is now manager of Zephyrhills most unusual drugstore, that is the one which used to be Newkoms. Seems like more than a mere 10 years to me.

Hazel Pontwright is now the head waitress of the famous Bill Skinner Restaurant. We all remember the time she started. Rich Kersey is the confidential secretary of Franklin Thomas, the mayor of Zephyrhills, Florida. And I hear that Frank is very well known and liked in political circles of Pasco County. We look for more advancement from Frank. Lola Ann Martinson is now happily married to a sailor who re-enlisted way back in '46. She was very well known in the school files.

Nita Lindsey is a happy model working for Abbie Chancey at the Chancey Studios Inc., Crystal Springs, Florida. She is doing well working for the Ex-army officer who came back to school from the army.

Albert Royal is now the general manager of Mabel Farms Inc., who produce pepper, squash, eggplant and etc. They farm over 500 thousand acres and are really doing fine. Mary Lois McDowell is happily married to the head operator of the Zephyr Movies Inc.

Lara Maple, better known as Larry Holt is still married to the president of Zephyr Breeze Power Motor and Shoe Repair Shop Inc.

Bobby Booth is the president of Air Flivers Inc. which uses a new type metal that makes the plane lighter, brighter, rougher and tougher. The main plant is on the site of the old Zephyrhills Crate Co. Christine Bryant is now a Beauty Shoppe operator on the corner of Fifth Ave. and Eighth St., in the downtown section of ye old home town.

Doris Cherry and her husband whom I have never had the pleasure of meeting personally are now on easy street, Doris having made a combination radio, power bag and snuff-box holder.

That's about all the news for now, more next time.

Sincerely yours,

N.S. Holt
Junior Pan American Airways Main Office
Miami, Florida

P.S. I just saw Judy Hickerson today and she really has gone up in this world. He is now a window washer on the Empire State Building. Madeleine Lowe was the only woman to reach the peak of the great Empire Hill and retain her self balance and poise. I knew that Madeleine was made of the right stuff.
LAST WILL AND TESTAMENT

LAST WILL AND TESTAMENT. WE THE SENIOR CLASS, of 1946 Zephyrhills High School, being of sound mind and memory, do make, publish, and declare this our last will and testament, in manner and form as follows:

To the Senior Class of '47-'48 we will all of our privileges that they can go, and also the use of the movie camera next year and we ask them to present it at the end of the year to the next senior class so that each year the camera may be left to the following senior class.

To the Sophomore Class we will our athletic abilities and our desire for a good football team next year.

To the Freshman Class we will all the fun we have had in our senior year and the initiation they never received.

To our sponsor, Mrs. Mosena, we will our deepest respect and appreciation for all that she has helped us accomplish during our last year at school.

To the principal, Mr. Mitchell, we will our faith in his ability to make this even a better school next year.

To the faculty we leave our regrets that we didn't study harder in high school and our sympathy for them for the years that they have tried to teach us.

To the Zephyrhills High we leave the airplane and the annual, "Zephilisco," the first in the history of the school;

AND TO THE JUNIOR CLASS:

1. Hazel Boatwright leave my job as inquiring reporter for the "Bulldog Bulletin" to my brother, James Boatwright.

1. Bobby Booth leave my height of 6'10" to Theodore Mayor.

1. Christine Bryant leave my slacks to Kay Nevins.

1. Abbie Chancey leave my car and girl friends to George Kemp.

ATHLETICS
Activities
Halloween-Costumes and festively decorated booths transformed the school grounds into the colorful scene of the carnival sponsored by the P.T.A. on Halloween night. Among the attractions were: apple bobbing, fish ponds, house of horrors, beauty shop, toy auto and tricycle rides, popcorn, home made ice cream, lemonade, hamburgers, coffee, pie and cake. During the program in the auditorium skits were presented by Woman's Club, Lions' Club, American Legion, and student groups. A display of baton twirling by Lea Basse and Laura Gallagher was a feature of the evening.

Book Week was observed November 11-17. In the library were displayed books of unusual interests, original drawings, and model scenes from favorite books and also dolls dressed as well-known characters. There were also clever book jackets and posters. Two programs were given in the auditorium by the elementary and the high school students. Parts of these programs were given at the November meeting of P.T.A., when members visited the Book Display in the Library.

P.T.A. sponsored several attractions throughout the year: Reception for Teachers October 8th; Father and Son Banquet November 6th; Mother and Daughter Banquet January 24; and Founders' Day Tea February 21.

Chapel is held each Wednesday morning with the classes taking their turns in presiding. Ministers of the town have a rotation which they fellow for visits to the school to address the students.

Christmas program was an original play in which Tommy Gentzel, as an American boy, visited foreign countries and learned their customs. Seventh Grade presented "The Perfect Gift", a religious play. Sixth Grade presented a comedy "Christmas Ragamuffin". To conclude the program the High School Glee Club sangFra Wilson's Cantata, "The Christmas Story".

Football Banquet was given in honor of the football team and their guests on December 19th at the American Legion Hall. The hall and tables were decorated in blue football fashion, and entertainment was furnished by the cheer leaders and majorettes. Albert Royal, all-conference end and last captain, was master of ceremonies. After the banquet dancing was enjoyed by everyone.

Senior Class Play—"Don't Take My Penny"—December 17, 1943.

Valentine Dance was sponsored on Wednesday night February 13th by the Senior Class at the Woman's Club Building. Randall Lynday's 13 piece orchestra furnished the music. The club building was decorated with red and white streamers. Mrs. Mooney, class sponsor, chaperoned the dance, assisted by Mr. Mangin. A good time was had by all.

Kid's Day—Friday morning March 29th the Seniors arrived at school in costumes or children. At 9:30 the entire school was entertained with a Wild West show "Crime Doesn't Pay" written by members of the class. Everyone had plenty of good laughs. After the show the kids left for the Sephy Airline where eight governors and their wives arrived by plane to visit Paso Fazoo. At noon the seniors had lunch together and then off for a bicycle ride and a swim. The evening was spent at Sephy Park where Mrs. S.O. Royal entertained with a wiener roast. The entire day was a success.

Skip Away Day On the Seniors enjoyed their Skip Away Day according to tradition. The day was spent at Sephy Airline, 3 p.m., by S. O. Royal, Jr. House.

Junior-Senior Banquet and Prom was held May 23, by Woman's Club.

Baccalaureate Service was held in the church. The sermon was delivered by Rev. H. B. McNaughton.

Class Night program was presented in the High School Auditorium on Monday June 10th.

Commencement—Tuesday June 11th.

In behalf of the faculty and students of Zephyrhills High School, we dedicate this page to Capt. A. William Krusen, now on rest leave from Pan American Grace Airways, who so willingly volunteered his services as aeronautics instructor for our school.

On February 14 the Senior Class purchased and presented to the school a BT-13 Vultee trainer for the purpose of teaching aeronautics to both girls and boys of the upper classes. The plane was purchased from the War Surplus Board and was flown to the Zephyrhills airfield by Mr. William Krusen, a local pilot. Upon arrival of the plane a dedication program was held with Congressman J. Hardin Peterson giving the dedicatory address and Mrs. Mozena, on behalf of the Senior Class, made the presentation. Following the buying of the airplane from the government, an aeronautics class was organized with Mr. William Krusen, of Pan American Grace Airways, willingly giving his time as instructor and Dr. O. H. Elmaker serving as assistant. Interest spread fast and twenty-three pupils enrolled, getting off to a good start on Civil Aeronautics Authority Rules and Regulations. Meteorology, navigation, and other fundamentals of flying followed.
The Home Economics Department is located in a five room cottage on the school grounds. In this pleasant atmosphere the girls learn many phases of homemaking. There are classes in food and nutrition, clothing, child care, family relationships and home decoration and management. Last year the girls gained valuable experience in redecorating their home. There are three years of Home Economics offered in the high school, with two years in the junior high school. The girls plan and serve the annual trustee county school board luncheon, as well as a number of meals for themselves. A first aid unit for high school girls is also located in the cottage. As the girls often say, "Just what would we do without our House Ec. House!"

HONORS

In observance of Armistice Day the Armistice Day the American Legion sponsored an essay contest on "Who is a Good American?" for Junior and Senior High Schools. First award was given to Nancy Skinner, second award to Jaynelle Le Heup, and to Jane Smith was given Honorable Mention. Each of the winners was presented with a book of interest to every good American.

At the beginning of the second semester the Business English Class under the direction of Mrs. Mossena contributed a column of school items to the Zephyrhills News. This column has been continued by Hazel Boatwright. The name for the column, "Bulldog Bulletin" was suggested by Jaynelle Le Heup.

On January 18th the W.C.T.U. essay contest was held. In the Sr. High School the award, a medal, was given to Ted Mayer. In the Jr. High the award was won by Jaynelle Le Heup.

The contest for the grades was held on February 22nd when each grade presented a demonstration. For the first three grades the award was given to the Third Grade. The Fourth Grade won the award for the Intermediate Grades. To the Fourth Grade Mrs. Mabel Price presented a picture for the school room.

From March 6th to 13th the Seniors conducted a contest to find a name for the new annual. An award of five dollars was won by Bettye Jo Turner who submitted the name of "Zephylisco".

American Legion award will be given to the Eighth Grade Girl and Boy who have shown the best citizenship qualities together with high scholarship attainments. Girl 1945-46 is Nancy.
