We Dedicate

A quick, happy smile and a friendly hello, these things along with his concern for his students, and his policy of education through practical application as well as classroom study make him an outstanding teacher. In his informal lectures he shows his concern for his students' social growth as well as imparting a deep appreciation for the importance of agriculture in today's economy. In addition to his teaching duties he also sponsors the F.F.A., the Junior Class and the Wheel Club. He spends many hours working to make these organizations outstanding.

To you, Mr. Jeffries, for your friendliness and understanding, we, the student body, and especially your annual staff, dedicate our 1962 ZEPHILSCO.
A quiet classroom with all the students working industriously is the characteristic of this teacher's courses. Although he maintains order and holds the attention of the class at all times, he is willing to explain the mathematical concepts over and over. His summers are spent keeping up on modern methods and new courses. In his concern for his students' intellectual growth he devotes much of his time to giving individual assistance. His teaching excellence makes him an outstanding example of the high caliber of today's teachers.

To you, Mr. Kretschmar, because of your patience and devotion to your profession, we, the student body, and especially your annual staff, dedicate our 1962 ZEPHILSCO.
Throughout our high school years our teachers and our principal guide us both in our courses and outside of the classroom. To learn more about the world in which we live and for a fuller and better life . . .
To The Graduates of 1962:

I have enjoyed working with the class of 1962. You have displayed many fine qualities which should inspire the classes which will follow you. We will miss your many fine individual and collective qualities.

I sincerely hope for each of you all of the success and happiness in life which you are seeking. I hope that your school experiences will have contributed to your achieving all of your goals.

Future Homemakers Learn Skills

Through programs and projects in F.H.A., a girl may discover her abilities, making it possible for her to contribute more creatively to her home, school, and community. She learns how to manage time, money, and energy more wisely. She develops a closer relationship with the members of her family, and learns to be a more cooperative family member. Learning to be a better family member now, will help her to be a more successful Future Homemaker of America.

F. F. A. is a national organization that reaches from the state of Washington to Puerto Rico and from the state of Maine to Hawaii. The organization consists of boys taking agriculture in school.

There are many goals boys can obtain by having projects that will produce some type of income.

The organization has three divisions; the National organization, which includes all of the countries that are in the organization, the State organization which includes all of the local organizations in that state and the Local organization, which includes individual local organizations.

The Zephyrhills chapter has many goals this year, some of which have already been reached.

Some of the ones which have been reached are: the chapter has sponsored activities to increase the size and quality of the farming program of members, chapter co-operation with other organizations in the school, and a sweethearth contest which the chapter holds yearly.

Some of the goals to be achieved are; to earn money to finance its activities, to provide its members with experience in public speaking and parliamentary procedure, and to hold a banquet honoring the boys’ parents.

The chapter has partly achieved the financing of activities by holding a Bar-B-Q, and by taking over the concession stands at the football field during football season.

The chapter is planning to complete its money raising activities by holding slave days and making woodworks to sell. All this money will be held in the treasury for the banquet and the trip to Camp O’Lena.

Camp O’Lena is designed to give the boys some fun, but it also teaches them to work hard to achieve their goals.

The FTA is made up of students who are planning to become teachers or who wish to explore the vocations open in the field of education. Under the sponsorship of Mr. Henderson, the club has taken on several projects. FTA'ers are frequently asked to substitute for teachers who are ill or attending meetings. FTA members are also in charge of the PTA nursery, where parents may leave their children while attending PTA meetings.

Bulldogs Homecoming 1961

Homecoming, sponsored by the Student Council, welcomed the Bulldogs back home for the East Bay game. Many hours of time were consumed in making and executing the plans for a successful Homecoming by the parade, field, and dance committees. Many hours were spent, too, by clubs and classes in preparing their entries in the float competition.

Festivities started with the Homecoming parade. Fourteen floats, junior and senior marching bands, varsity cheerleaders, and Homecoming court candidates paraded from the school to downtown main street and back again. Judges, Mr. and Mrs. Chamberlain and Mr. Lippincott, on the basis of originality, workmanship, and beauty, awarded first place in the float competition to the Junior Class. Back at school, the student body and teachers were led by the cheerleaders in a pep rally to raise school spirits for the big game that night.

That evening the fighting Bulldogs ran onto the field through a double line band formation amid the cheers of Zephyrhills fans. At the halftime the candidates were driven around the field as the band played "A Pretty Girl" in a football formation. The stands waited in suspense as Emcee David Smith announced Junior High maids, ninth and tenth grade maids. Johnny Clements and Bonnie Rammald were named as the prince and princess. At last, after much hemming and hawing, Linda Cavin and Frank Kersey were proclaimed Homecoming Royalty!

Homecoming '61 was climaxed by a dance at the American Legion Hall.

Senior class floats proclaim "Over All Limits for Coach Clements" as it takes its theme from a term paper on Berlin.

Seventh graders show their school spirit with a crepe paper draped truck welcoming the Bulldogs home.
First place winner in the float competition, the Junior Class entry cleverly portrays a giant shoe stomping the opposition with the legend, "We Don't Want-um Wampum, We just Want To Stomp 'Em!"

The DCT float with its pretty girls, handsome boys and gaily spinning wheel, the second place winner, predicts "ZHS Spins to Victory!"

"Indian's Last Stand" theme of third place winning Freshman Class, has a Bulldog firmly in control of some captured Indians.

**FFA Crowns Sweetheart**

The Future Farmers crowned Karen Etter their 1962 Sweetheart. Chosen by judges from a field of eight contestants, Karen played the saxophone and pantomimed "Tennessee Wigg Wock" as her talent. The contestants Pat Jackson, Bobbie June Chambless, Mary Jane Darley, Terry Meyer, Karen Etter, Lynda Cooper, and Bonnie Rannald were sponsored by the various clubs and classes. The judging was based on beauty, stage appearance, poise, and talent. Karen represented the Zephyrhills chapter in a sub-district FFA Sweetheart contest.

These pictures of Karen as she appeared in the contest show why she was the judge's choice.
Susan Nichols reigns as Basketball Queen and Vonnie Kinsey as Princess. They were crowned by last year's Queen, Sue Snider, and princess, Harriet Morton, as the other candidates, Terry Meyer, Myra Bialik, Bonnie Ramnald, and Karen Etter, look on.

At the Football Banquet Dick Prowant was the recipient of the Most Valuable Lineman Award. Norman Weaver was chosen as the Most Valuable Back and received the Good Sportsmanship Award. Dear Barbara,

You will notice that I chose only one and two. Considering how little "personality" can creep into a posed photo.....at least until you're about forty...I thought it would be unfair of me to pick any but the first two. Nobody wants to be number five anyway so why not let the others all xxxxx be tied for third?

I didn't want to mess up the pictures so I put in slips of paper...open the pix one at a time or they'll get mixed up. Hope nobody gets mad at me and that it is realized that I deserve to live even if I chose wrong!

Truly,

Head Coach Clements and Assistant Coach Waller in action.

The Z.H.S. football team closed out the 1961 season in highly successful fashion, walloping Brewster Tech, 40-7. Coach John Clement's charges ended the year with a 4-6 record, which matched last year's mark, in a schedule lined with gridiron giants.

Highlights of the season included:

- The near upset of mighty Hernando High of Brooksville, before dropping a 25-24 decision.
- The 6-0 upset of Palmetto for the second consecutive year.
- Defeat of Tarpon Springs, 25-6
- The 60-32 melee with East Bay which found the Bulldogs on the short end, in spite of a great second half comeback.
- Outstanding defensive play against Brandon before bowing 14-0.

Co-captains Weaver and Kersey

This calls for strategy.

Kersey refuses to go down.
All Conference tackle Sam Gross, demonstrates tackling ability.

Kearse hit hard by East Bay defender.

Coach Jack Wilson's cagers capped off a brilliant, record-setting, 30-1 season by winning the Florida Class B State Championship.

Along the way they gathered up the Tampa Bay Conference championship and the Hernando Christmas Invitational title.

In the season opener, minus the services of Sam Gross and Don Crutcher, Wauchula dealt a 43-39 loss, which was destined to be the only blot on an otherwise perfect season.

Following the Wauchula loss came successive December wins over Hernando, Plant City, Jesuit, and Pasco prior to the Christmas Tourney, during which Clyde Bracknell was the unanimous choice for Most Valuable Player.

In late February, after annexing the TBC regular season championship, the Dogs became conference tourney champs as Crutcher tossed in 56 points in two games.

The Group VII tourney field was no match for the fast-moving Dogs as they raced to impressive wins over Cardinal Mooney and Frostproof. Bracknell and Crutcher made the all-tourney team.

In the State Tournament the Bulldogs polished off Williston, Ocoee, and Blountstown in route to the title.

In the All-State selections, Bracknell and Weaver were named to the first team while Crutcher and McGavern earned honorable mention.

Bracknell, Weaver and McGavern made the TBC all-star team.

Cheerleaders Boost School Spirit

This year's peppy six have tried hard to keep school spirit lively. Their practice sessions began early last summer as the cheerleaders prepared their positions. The pep rallies are planned by these enthusiastic girls. Their cheers, old and new, prepare everyone for the evening's game, as well as urge the players on to victory.

This year the Girls are sporting new uniforms. Their vivid orange and black striped sweaters certainly stand out.

In Memoriam

MRS. GRACE KELNER

Her fine work in substitute teaching during the past five years has won her the love and respect of faculty and students.

Death is the veil which those who live call life:
They sleep and it is lifted.

Shelley

REUBEN LEE WELLS, JR.

The rising moon cannot assure
That we shall end the day,
For Death stands ready at the door
To take our lives away.
