The Quest for Entity is a constant thing—present in every human being. Entity is the most important thing a person can possess ... being one's self at all times. As small children we know nothing of this but as we grow older we realize how important this is ... then we begin our search ... Who am I? Am I important? ... Questions ... Always questions.

Peppy J.V. cheerleaders stimulate school spirit.
Queen Susan and Princess Anna Joe reign over Homecoming.

New additions to P.E. classes help keep boys physically fit.

WITH DIGNITY AND SINCERITY

Beautiful new library helps students work comfortably.
School is the place in which one can find his answers not only in relation to knowledge but also in activities, friendship, and sports. Come with us mothers, fathers, and friends! We want to show you how our school develops boys and girls of today into citizens of tomorrow! Here we are learning to work, play, and live ... in unity ... but also with entity.
To show our appreciation, we dedicate this 1963 yearbook to you, Mrs. Marjorie Parantha. For the peerless quality of your teaching, for your tireless effort in behalf of your students, for teaching the fundamentals of homemaking as well as its practical application, you have made a lasting impression on all of your students. They become better citizens because of your dedicated devotion to your teaching.
To show our appreciation, we dedicate this 1963 yearbook to you, Mrs. Constance Kaylor. For your devotion to the teaching of the fundamentals of English and for teaching your students to be not only good English students, but also good future citizens of our United States. Our extracurricular program would suffer greatly without your participation. This is our way of thanking you for what you have done and will do for our school.
Quest for Entity

Knowledge advances by steps. Through the years our teachers have awakened in us the desire to learn and have imparted to us the fundamentals which will help us to continue our Quest for Knowledge and assist us in the business of daily virtuous living. As our teachers say, "When I am forgotten ... say, I instructed you in ..."
To The Graduates of 1963:

I wish to each of you all the happiness and success for which you are striving. I hope that your school experiences will have contributed to your achieving all of your goals.

Sincerely yours,

FOR BOBBY

Always smiling
Always gay
You'd never believe
He has passed away.

Always joking
Always teasing
Now the Lord up above
He's pleasing.

Never a frown
Always laughter
But now he's gone
To the sweet here-after.

Always singing
A happy song
Oh! What happened,
What went wrong?

Yes, it's true
He was a wonderful guy
But why, oh why,
Did he have to die?

Upone his grave
Forget-me-nots lie
Blown by winds
Watched over by skies.

Keep him happy
Dear Lord above
For he was a guy
That everyone loved.

--by Candy Rogers

IN MEMORY OF

HAZEL GREENE

As the evening turned into night
We remember her in vain;
She left the world so quietly
Never to return again.

We had known her as a friend
Since her life first begin
But how were we to know
That soon her years would end.

Cruel death struck at the hour
When we were not prepared
For the bitter shock that occurred
We moaned in deep despair.

She left us in a strange, strange way
Without a word or sign
We know God had a reason for
Her to live up in the sky.

EPILOGUE

The following people are to be thanked for making the Zephyr'sco a wonderful success. The annual staff, for their tiring efforts; Thomas Simard, photographer, for the fine pictures which captured the sparkle in so many of the activities; the sponsors, Mrs. Katharine Swing and Mrs. Betty Hall, for their superior guidance and understanding; Mr. Charles A. Henderson, principal, for his cooperation and assistance; Mr. George Smith, representative of American Yearbook Company, for his helpful suggestions; and many others—a variety of names and personalities who worked together in a common effort.
