If in the years to come this book serves to call to the minds of those who go out . . . the scenes and events . . .
the victories and defeats . . .
the duties and pleasures that may become inseparably interwoven into our student life...
and if to quote Montaign it may be said, "You have only here made this collection of other peoples flowers, having provided
nothing of your own but a cord to bind them together" ... it will have served its purpose ... 1964 Zephilsco.
Mr. John Geiger

Always willing to help his students, Mr. Geiger spends many hours finding ways to make mathematical principles easier to understand. He also gives much of his time to the Junior class as their sponsor.

To you Mr. Geiger, because of your helpfulness to the students and the school we dedicate this—the 1964 Zephirsco.
Principal

Charles Henderson

Mr. Henderson attended Florida State University where he received his Bachelor's of Art degree and later his Master's.

We, the Senior class of 1964 have been deeply honored to have him as our principal, advisor, and friend. In the years to come, we are certain that the classes following us will also enjoy this privilege.

Zephyrhills, Florida

Dear Mr. Kersey:

Thank you so much for your letter and the photographs of the five girls and five boys.

The choice was especially difficult one to make as all possess individual qualities of attractiveness. However, my final decision, in order of choice is marked on the back of the photos.

My congratulations to all the finalists and my very best wishes for a successful yearbook.

Again, thank you for inviting me to participate.

Sincerely yours,

Epilogue

The yearbook at last is completed... there will be time for sleep, study and social activities once more.

... Many are to be thanked for their continued service... Tom, Jere, Mike, Kaye, Sunnye, and many others... a group of different personalities making the year fun as well as work. Special thanks go to Gloria Pope for the many extra hours diligently spent at work trying to meet that forthcoming deadline.

Mrs. Swing, Advisor; Mrs. Hall; Mr. Henderson, Principal; George Smith, American Yearbook Company, are to be thanked for their patience and in fulfilling this story of Zephyrhills High School.
