DEDICATION

Mr. Earl Reitz--

Because we consider him to be one of Zephyrhills High School's outstanding teachers, we, the 1965 Zephilsco Staff dedicate this annual to Mr. Earl Reitz.
Mr. Reitz teaches one of the largest groups of students in the school. He explains the difficult concepts of Social Studies so that all students can understand them. Many students are stimulated to new levels of thinking because of his lectures.

1965—A CHANGING YEAR

Students of Zephyrhills High School welcomed progressive changes in the school during the year 1965. These changes resulted in more efficient management and an atmosphere more conducive to study and learning.

We welcomed changes in the school's appearance. Several rooms received new paint jobs. Such changes resulted in an increase in school spirit.

An Outstanding Administration directed the new changes at Zephyrhills High School.

A new switchboard increased the efficiency of the office in answering calls and conducting school business.

Bob Price, Allen Ward, George Jarrett, Carol Grace and Hope Wintersteen.

Outstanding Administration

As an outstanding administration directed the new changes at Zephyrhills High School, additions to our faculty increased the number of subjects taught and the number of students reached.

In his own way, each student showed loyalty to the School.

Increased School Spirit

The typical Friday pep rally

We cheered our athletes.

Students themselves noted an increase in school spirit. We cheered louder at our pep rallies and took more pride in our school. The year 1965 was filled with pleasant memories.

The rush from classes

These boys have a share of responsibility in the workings of school.

Improved Junior High

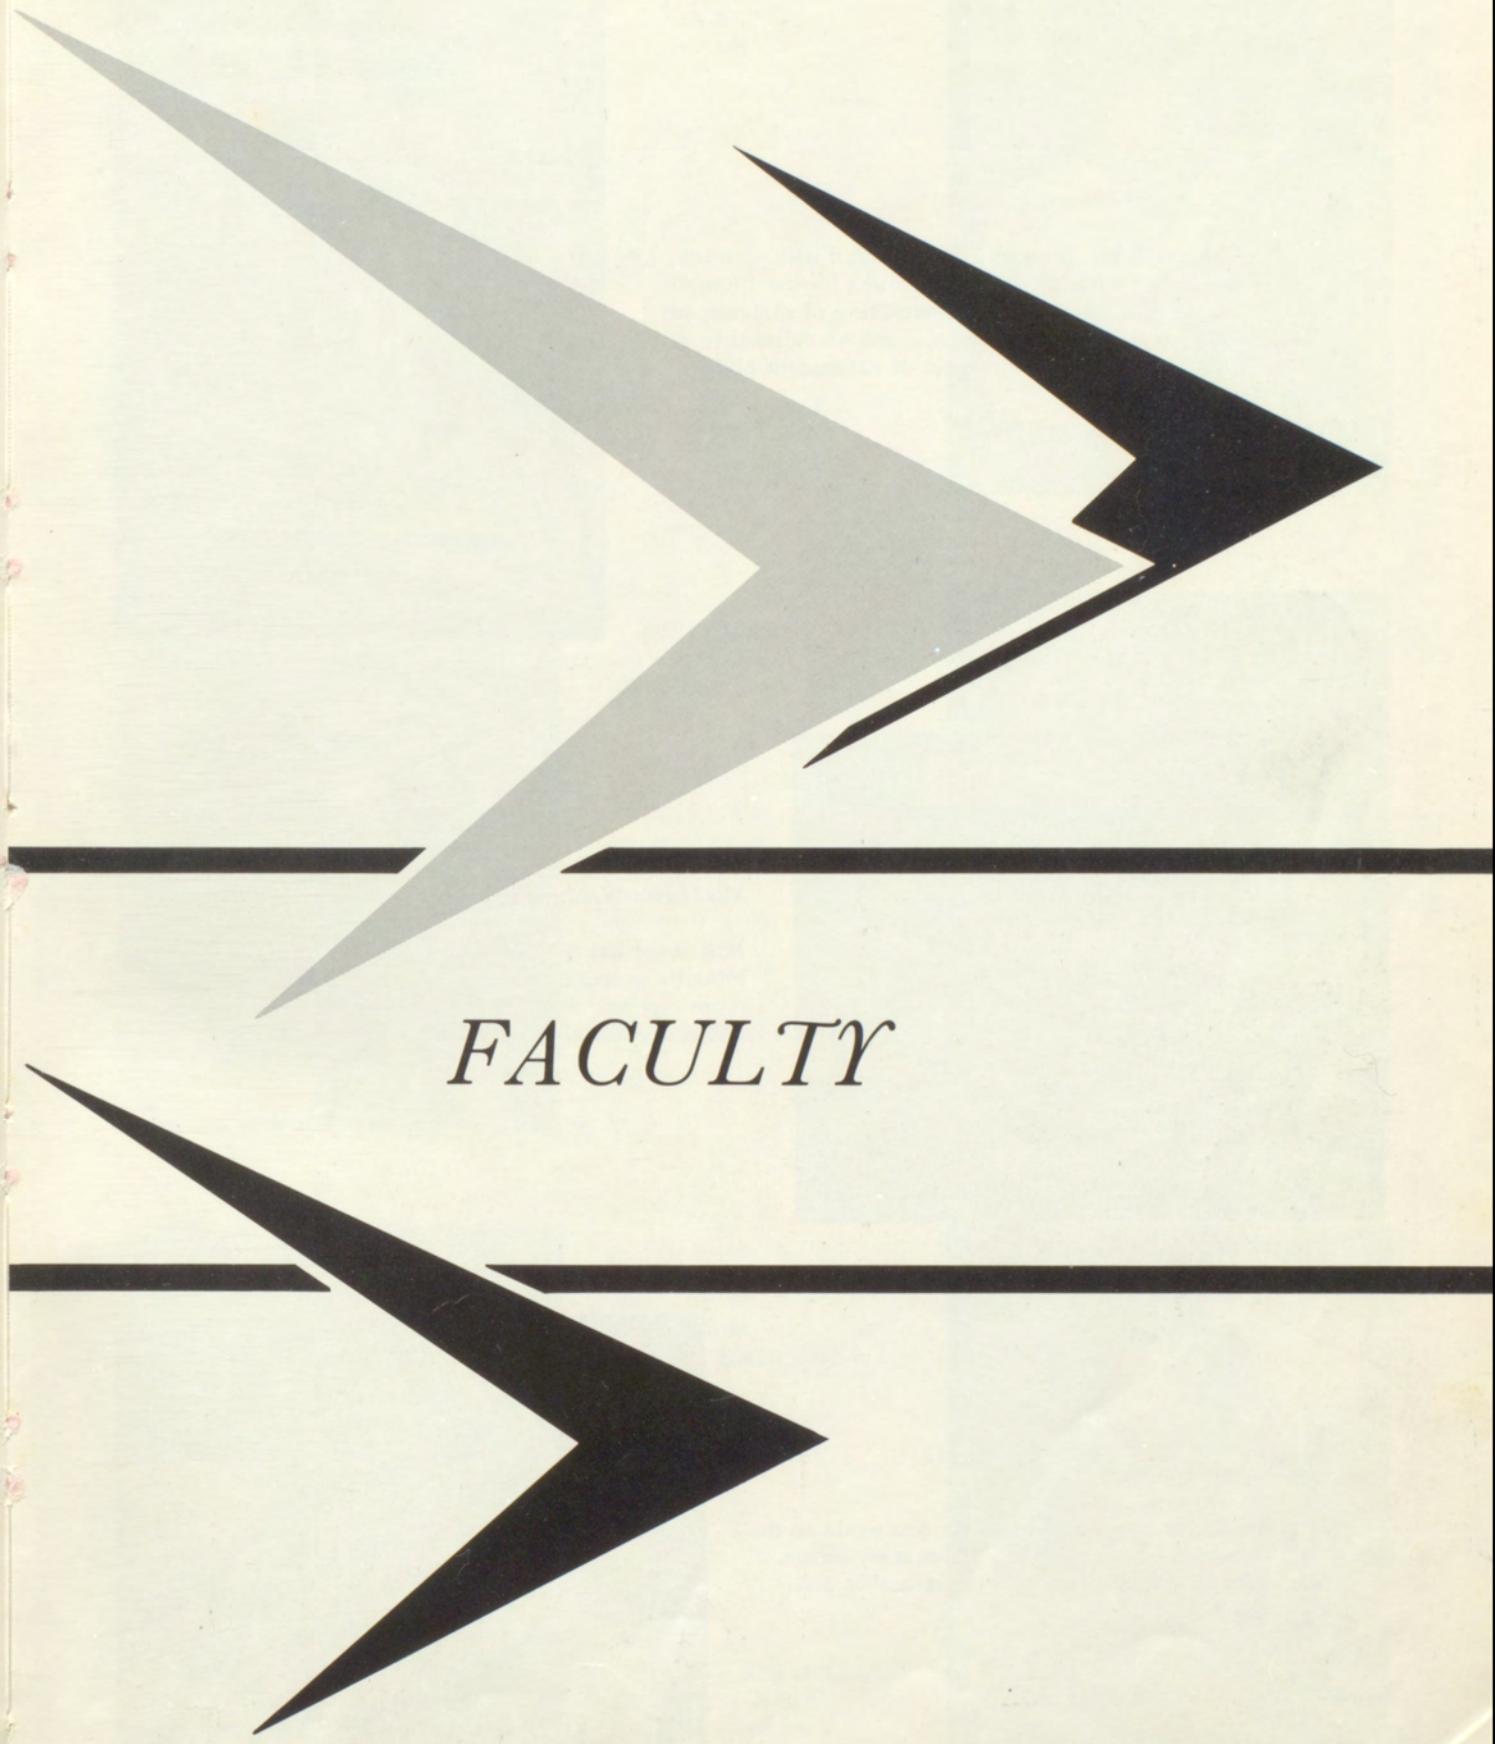

A Junior High class stops for a moment of relaxation.

The Junior High enjoyed more benefits from their year in school. They participated in activities such as dances and athletic events.

These students explore new facets of learning.

FACULTY

ADMINISTRATION

Mr. Ray Stewart, Principal

Although Mr. Stewart has only been with us since August, he has already done much for the improvement of the school. His counseling of students, his understanding of their needs, and his fairness to all, has already won the respect of his student body.

Mrs. Edith Ward, Secretary

Mrs. Ward has the exacting job of keeping the school's accounts in order and checking the lunchroom reports. She is always willing to help students, and many are cheered by her happy smile.

Mrs. Page Renninger, Secretary

Mrs. Renninger has a double duty. She works in the High School office, and in the Elementary office. She keeps the office staff working smoothly and efficiently.

CURRICULUM

English

Since English is a basic subject, necessary for all fields of study, it is strongly emphasized in our school. Classes study a broad range of subject matter, from Chaucer's poems to Jack London's fiction.

Languages

Two languages are offered this year. Latin was the subject chosen by those who wished a basic background in language. Spanish, the language of our Latin American neighbors, was selected by interested students.

Sciences

Sciences and Mathematics are strongly emphasized in our modern age of rockets and missiles. At Zephyrhills we are striving to keep pace with the new advances in these fields. Most students do extra projects in these subjects to learn more about a certain interest.

ZEPHYRHILLS HIGH ON HI-TIME

For the first time, ZHS appeared on the popular teenage dance program broadcast on WFLA T.V. The students showed all their school spirit and danced with a lot of enthusiasm. The show was planned by the Student Council.

Dance Contest winners were Peggy Bracknell and Jed Wilkinson.

HOMECOMING QUEEN

Sandra Kirkland

Because of her charming personality, this pert miss won the title of Homecoming queen. She was selected by the students of Z.H.S. one week before the big football game.

Sandy enjoys cooking.

Bowling is one of Sandy's favorite pastimes, and she has become an excellent bowler.

AND PRINCESS

Patty Carmon

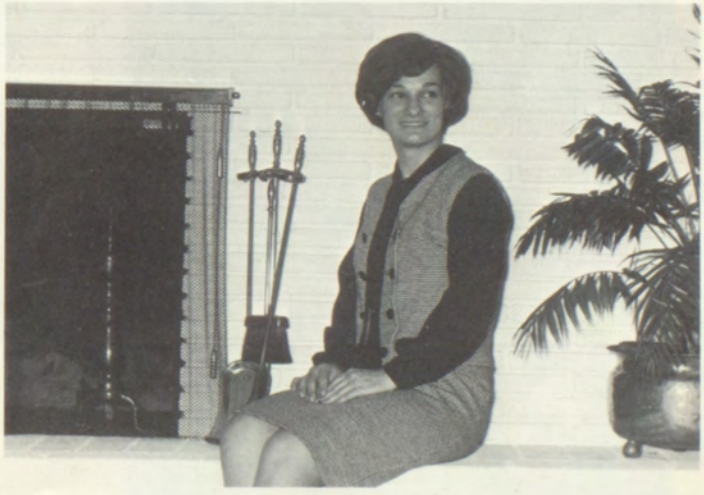

This sweet miss always has a sparkling smile for everyone. Her vivacious personality won her the title of Homecoming Princess. Patty's well-rounded personality includes both beauty and intelligence.

Patty wears a beautiful formal gown for this lovely picture.

Here Patty relaxes before the fireplace.

Linda relaxes in the Florida sun.

MISS ZEPHYRHILLS

Linda Sabo

On Founder's Day, March 10, 1964, Miss Linda Sabo was crowned Miss Zephyrhills. Chosen from a field of 27 girls, by a group of out-of-town judges, she was lovely in a beautiful blue gown.

Linda enjoys many activities especially dancing and attending athletic events.

Here Kaye appears holding the lovely roses she received from the FFA.

Kaye pauses for a moment of relaxation.

FFA SWEETHEART

Kaye Henry

Kaye enjoys golf as a hobby.

Each year the FFA Chapter chooses a Sweetheart to represent them in district contests. Kaye was selected from a group of eight girls on the basis of talent, beauty, and poise. For her talent, Kaye danced, played the piano, and pantomimed.

MISS ZEPHYRHILLS JAYCEE

Harriet Morton

In September of 1964, this lovely girl was chosen as the new Miss Zephyrhills Jaycee. Jugded on the basis of personality, beauty, and talent, she won over a field of fifteen contestants. Her talent presentation was flower arranging.

Harriet enjoys playing the piano in addition to her Cheerleading activities.

Dear Laurel,

Thank you for asking me to judge your Royalty contest. The decision was very difficult to make, but you will find the numbers in order of preference on the back of each picture.

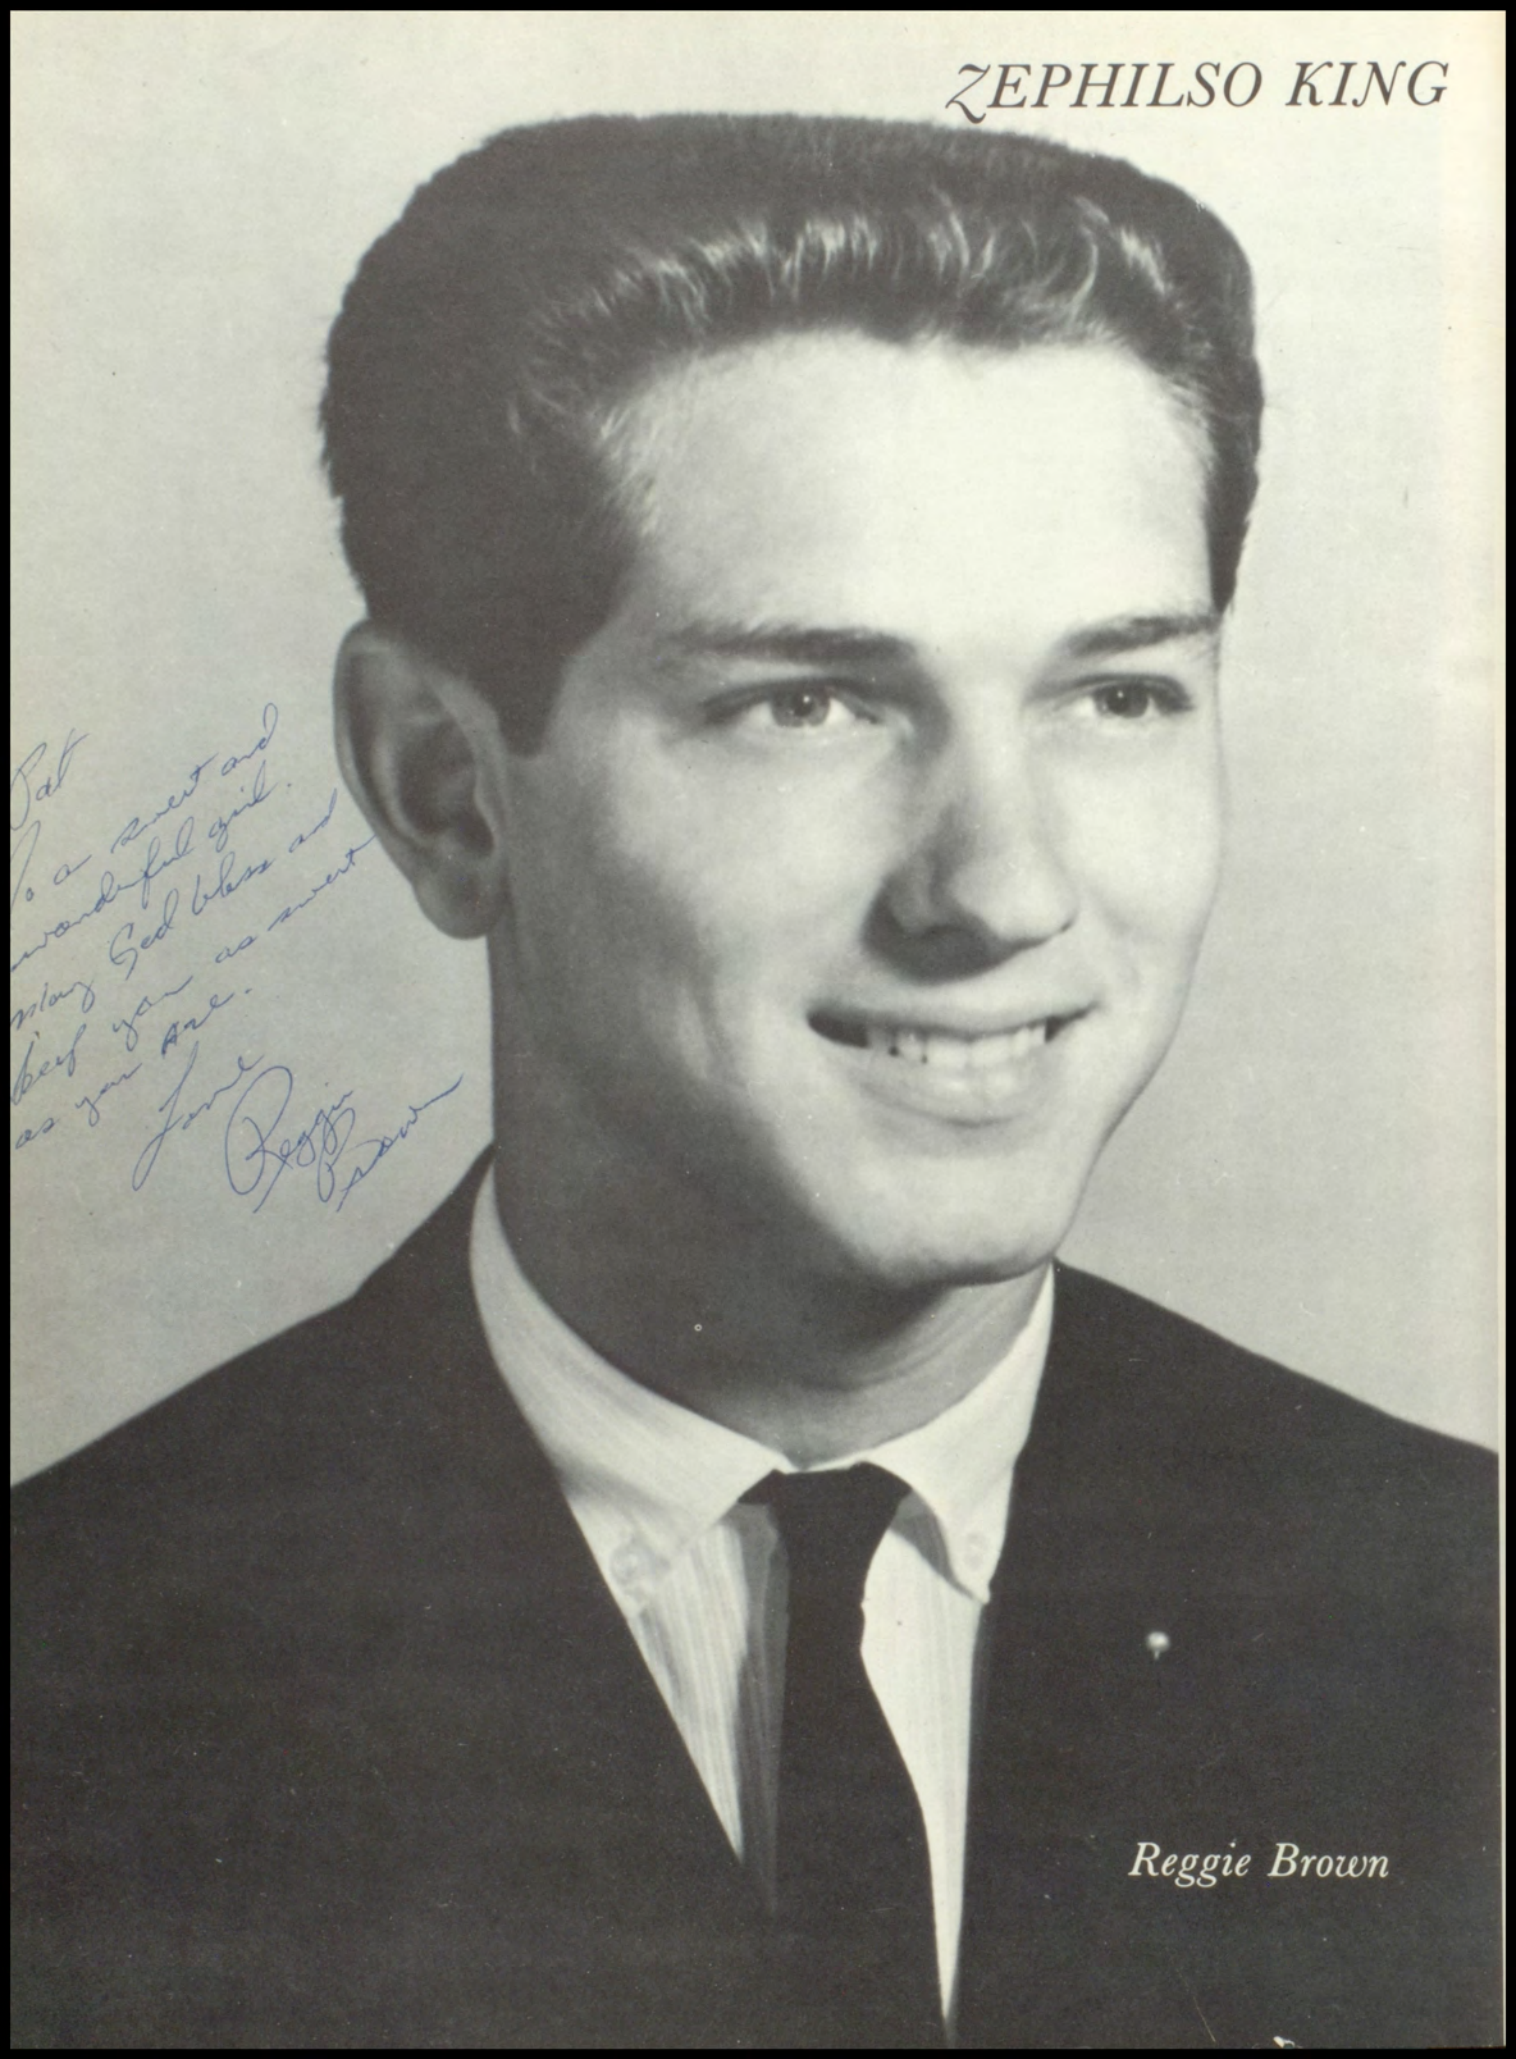

All the candidates have qualities of attractiveness and personality, but I tried to pick the most wholesome-looking boy, and the girl who showed a lot of personality.

I'm looking forward to seeing Zephyrhills High School on Hi-Time.

Sincerely,

Jean Morris

MEMORIAL

DIRGE WITHOUT MUSIC

I am not resigned to the shutting away of loving
hearts in the hard ground.
So it is, and so it will be, for so it has been,
time out of mind:
Into the darkness they go, the wise and the
lovely.
Crowned with lilies and with laurel they go; but
I am not resigned.

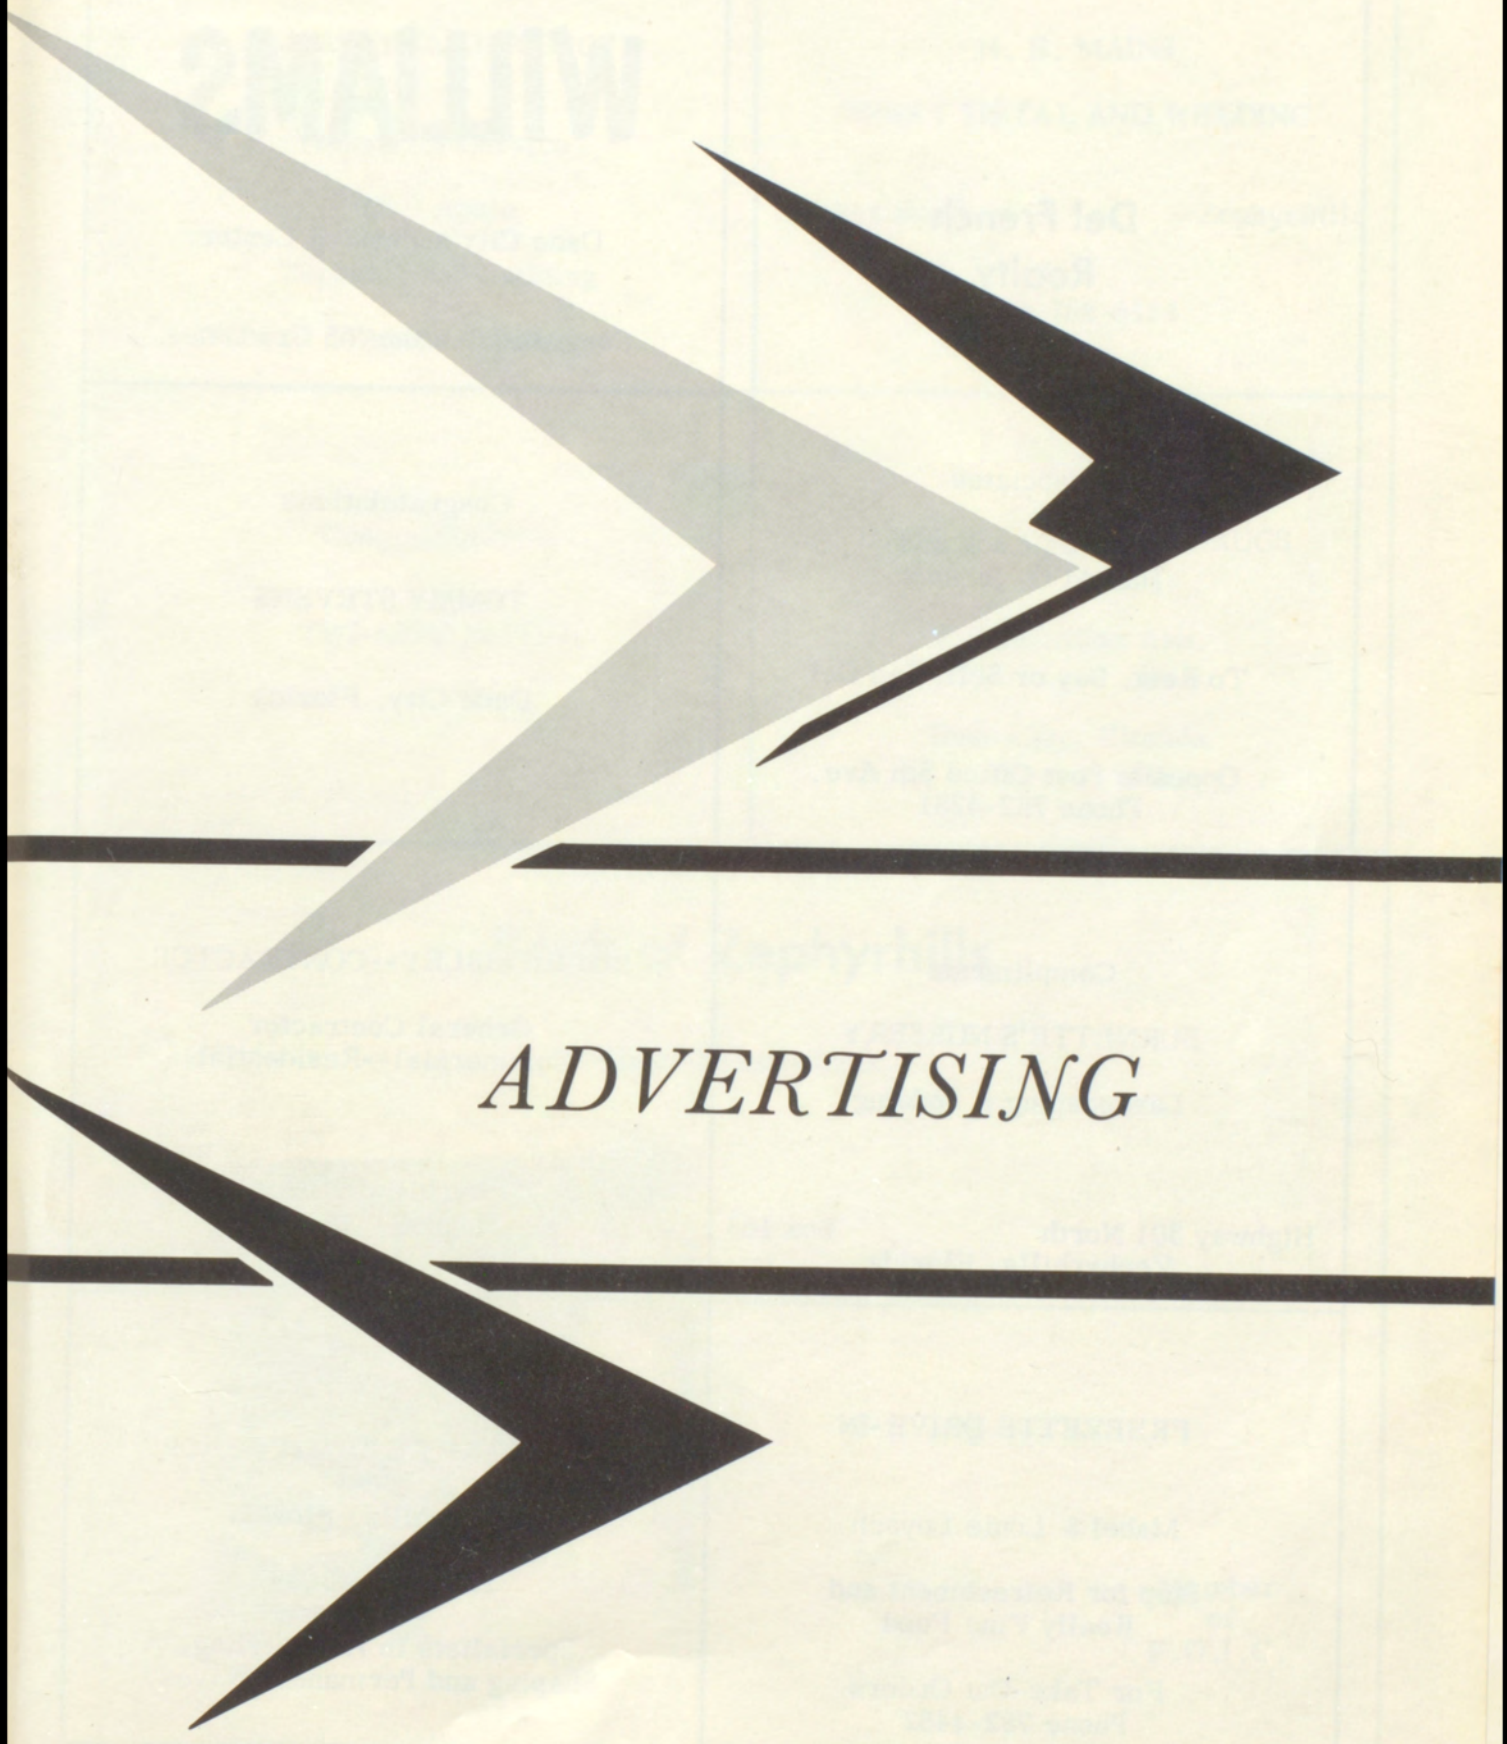

Lovers and thinkers, into the earth with you.
Be one with the dull, the indiscriminate dust.
A fragment of what you felt, of what you knew,
A formula, a phrase remains, but the best is lost.

The answers quick and keen, the honest look,
the laughter, the love,--
They are gone. They are gone to feed the
roses.

Elegant and curled
Is the blossom. Fragrant is the blossom. I
know. But I do not approve.
More precious was the light in your eyes than all
the roses in the world.

Down, down, down into the darkness of the
grave,
Gently they go, the beautiful, the tender, the
kind:
Quietly they go, the intelligent, the witty, the
brave.
I know. But I do not approve.
And I am not
resigned.

EPILOGUE

1965--the year of changes. As in all things some changes are good, some bad, but we can remember 1965 as a year of improvement of our school, both in physical appearance and in the students and faculty.

If for anyone, 1965 brings to mind sadness, let him remember "This too shall pass." Look forward to life and to changes.

The 1965 Zephilsco Staff
